High School Student

34 Elizabeth Avenue Hampton NB

Courses Taken include: Physics 11 & Physics 12, Chemistry 11 & Chemistry 12, Biology 11 & Biology 12 (Level 1), French immersion since 1st Grade.

Highlights

Bilingual

I have completed the French Oral Language Proficiency exam and received a mark of Intermediate. I completed 12 years of French Immersion and can communicate with ease in French.

Fast Learner

I achieved a 92% average in my Web and Mobile Development course - the highest in my class. I pick up on things very quickly and will have no trouble keeping up with your demands.

Skills

Organization: *I find unique ways to improve how things can be sorted and found*

Communication: *I simplify complex problems so people of all skill levels can understand*

Research: *When trying to find a solution I narrow down research and get the information needed*

Problem Solving: *There will always be more solutions than problems. I think, given enough time, I will not only find a solution but the best possible solution*

Positive Attitude: *I always keep a smile on my face and a spring in my step*

Working in a team: *I have lots of experience working with team members. I believe I will be a valued member of yours.*
